

Spar 40 Qtz. Mixer

SP-40M

Features:

- Control Panel at the side. Equipped with ON / OFF Switch is as standard.
- Transmission: Heat-treated, hardened alloy, precision-milled gears operate with planetary action. Gears are packed in a long-lasting, high-pressure grease. Planetary gears are driven by an oversized cog-wheel, which is in turn driven by a cogged belt powered by the motor drive shaft. Cogged belt is a long-lasting, rugged fibre/rubber composite. This unique design yields high-torque mixing power while avoiding the high cost encountered repairing direct-drive transmission components.
- Speeds: Low Speed 90, Intermediate Speed 161, High Speed 291
- Finish: Top (transmission cover): metallic bronze epoxy enamel. Bottom : metallic gray epoxy enamel

Stainless Steel Bowl

Wire Whisk

Flat Beater

Spiral Hook

Specifications:

- Capacity: 40 Qtz
- Controls: 3 Speed
- Motor (Belt Type): 1.5hp
- Power: 220 V, 60 Hz, 1ph
- Dimensions (LWH): 638 x 738 x 1232 mm
- Weight: 245kgs
- Accessories: 1 Stainless Steel Bowl, 1 Whip, 1 Flat Beater, 1 Spiral Hook
